<b>Circuit Regulations</b>	
Teams and personnel must abide by the following Circuit Regulations:	
It is forbidden to smoke in the boxes, in the pitlane and behind the boxes. The presence of animals in the boxes and pitlane is also forbidden.	
Motor silence on the track, in the pitlane, in the garages and in the paddock is absolutely compulsory day and night on Tuesday, Wednesday and Thursday, before 09:00 on Friday and Saturday, before 10:00 on Sunday, between 12:00 and 13:00 on Friday and Saturday, after 18:00 on Friday and Saturday and after 18:30 on Sunday.	

It is also forbidden, during the above-mentioned hours, for any motorized vehicle (cars, motorbikes, scooters, ...) to drive on the track. When an infringement is committed, the vehicle in question will be confiscated until the end of the event.

The roads on the domain are subject to a speed limit of 30 km/h. Any dangerous driving conduct is forbidden.

No person younger than 16 may drive a motorized vehicle on the roads of the domain. If an offence is noticed, the vehicle concerned will be seized until the end of the activity.

It is forbidden to abandon used tyres in the paddock or on the domain of Circuit Zolder. Tyres that are found in the paddock zone of the series after the event will be cleared at the expense of the competitor/industry.

**Electricity**

The electric connection is free @ 220 V/16 A - 380 V/16 A - 380 V/32 A

Anybody who passes on electricity or damages the ammeter will be irrevocably cut off. All the costs will be charged to the competitor / industry.

Helicopter flights and landings at the domain of VZW Terlamen/Circuit Zolder are forbidden.

All the surveillance cameras on the domain are monitored by our internal prevention service (Belgian law of 21 March 2007). Placement of cameras without prior permission is prohibited.

Drones are not permitted unless the Federal Government gives permission for this. These permissions are mainly for police purposes and scientific research.

**Separated collection of waste**

By the VLAREMA Art. 4.3.2. (Flemish regulations concerning the sustainable management of material cycles and waste management), separate waste collection is mandatory. There are twelve mini container parks, with 7 large and 5 small parks for paper and cardboard, glass, PMD and 'waste'.

For waste oils there are 3 pick-up points provided in the paddock areas, indicated as 'oil waste point'.

Incorrect waste disposal is subject to a fine in accordance with the Belgian law (VLAREM).

Each team/organizer must deposit its waste in the containers provided for this purpose.

Any other industrial waste type listed in the VLAREMA, must be notified at the secretariat so that a solution can be found.
